

Welcome back to the Three Horseshoes

It's been a while.... Thank you for choosing us, we have two main objectives:

1. It goes without saying; making your pub trip as safe or safer than visiting the local shops and protecting our team, you and your loved ones.
2. Give you the great pub experience that you remember.

What we have done to keep our team and guests safe:

- We have limited capacity to allow extra spacing of our tables
- Limited table size of six, the government says this is to only be made up of two households
- Staggering booking times to space guests out
- Door and windows will be open to help air flow
- During busy times a member of staff will meet you at the door and show you to your table
- Putting a one way system in where possible
- Bringing sanitised cutlery and condiments when food is ordered
- The pub has been cleaned even more than it has been before
- All surfaces and backs of chairs are sanitised before each guest and if you would like them cleaned again, just ask a member of the team
- We are spreading our team out so they are distanced from each other
- Toilets will only allow one guest at a time and all touch points, toilet and sinks will be sanitised every 30 minutes
- Sanitiser stations are available
- Staff will wash and sanitise hands after clearing each table
- We now provide full table service
- Payment is now made by card only, contactless payment is encouraged, cash is no longer accepted
- Glasses are sanitised after each use

What we need you to do / Order process:

- Please book in advance to avoid having to queue
- Please use hand sanitiser on entry
- Guests are asked to stay seated at their table
- Please order with a member of staff at your table, we won't be offering bar service
- Please keep your distance from other guests and our team
- When you have finished your food and drink we will clear your table
- Please pay by card
- Have fun and spend lots of money! 😊
